Dear Board Members,

I mentioned this subject to you on previous occassions and I am officially informing you that I'll resign from my position as the Interim ED by the end of March, 2014. I plan to leave this month but there are several important things that I still need to help APACC to get through, such as the Asian Pacific Fund's first meeting with ED and Board Chair on March 11th; the three legal issues regarding (1)1099 employees, (2) liability waivers re volunteers and (3) the legal burden of the Club on APACC as well as the Capacity Building Training rerports to MOH.

I would be grateful the Board will appoint a more capable person to take over the ED position soonest to ensure a smooth transition.

Thanks

David Chan
